

Keith Blunt lends a hand

FORMER Wycombe Wanderers favourite Keith Blunt, who played a big part in their Isthmian League championship run two years ago, may well return to the side tonight (Tuesday) when they visit neighbours Chesham United for a Premier Midweek Floodlight League match. (writes **Stuart Earp**).

Keith is helping the club out as their squad will be down to 12 for the game. Larry Pritchard, John Delaney and Derek Gamblin are rested as they are in line for the Amateur International against Scotland at Shawfield Park, Glasgow, on Friday. John Maskell, who was replaced by Peter Spittle on Saturday after injuring a thumb in training, is also doubtful and this left only 11 players for the Chesham trip.

Blunt is a utility man, playing in either the back four or defence. He is currently coach with Oxford University.

Phil Stonell, who quit Marlow last week, is named in the Chesham team for tonight,

having made his debut against Horsham on Saturday. Stonell fitted well into midfield although United went down 1-0 to a penalty, having missed a spot kick themselves.

Dave Summerling, Chesham's best player in their 4-0 defeat at Loakes Park on January 9, is back in the side after injury but missing will be top striker Tom Johnson who is unavailable. With only three matches left, the home side will be anxious to record their first victory in the competition.

Wanderers, who have already sewn up the section with their 3-1 victory over Oxford last week, will be keeping an eye out for the section D winners, likely to be Horsham, who they will meet in the semi-final.
